Hi Krista-

Yes. I am not visiting this time but Nathalie and Liliana are visiting next Monday and Tuesday and they will need time with you to discuss the sleeping rooms as I proposed in my note for the Ministers and their core delegations. I defer to Liliana to schedule a specific time with you.

Best regards,

Hi there!

I am just following up, as this time of year gets very busy for me. Are you wanting to meet with me to discuss contracting the specific rooms? If so can you let me know from the information I sent prior what all you are wanting to contract with us so that I can be prepared?

Thanks!

*Best,*

6.26.18- Venetian Ballroom, Continental, Crystal, Founders Room, Skirvin Suite, Overholser Suite, Mesta Suite (currently booked for your group)

6.27.18- Centennial Ballroom, Venetian Ballroom, Continental, Crystal, Founders Room, Skirvin Suite, Overholser Suite, Mesta Suite (currently booked for your group)

Please let me know as soon as possible if you would like to reserve any meeting space and I will go ahead and hold to VIP block until you all request contracts.
